

# Brother PT-110 Batteries Replacement

This guide will show you how to replace the batteries.

Written By: Mohammad Almerri

## INTRODUCTION

The batteries are responsible for powering the device. If they are empty the device will not turn on and your labels will not print.

## Step 1 — Batteries

- Push on the side of the cover, and remove it.

## Step 2

- Remove the batteries.

To reassemble your device, follow these instructions in reverse order.
